

## What happens when you ask college admissions counselors to tell you about their newest college majors?

You get an incredible outpouring of exciting ideas, and a great reminder of ALL the college choices available to our students. (This list does not include every college which offers these majors. It is just a starting point for exciting fields to explore. PLUS, not all these majors are “new”...some are just new to that college.)

<b>Program (click for details)</b>	<b>College/University</b>	<b>Location</b>
