A college admissions secret you need to know! We talk a lot about how colleges try to define how you feel about them. Colleges are looking for ways to try to figure out if they are one of your first choice schools. This little-known tip about the ORDER of colleges listed on the FAFSA and ACT exam listings may be helpful for your family to know: <http://ow.ly/OrgHV>

How the FAFSA And ACT Can Hurt Your Application (And Not for the Reasons...)

by Dan Edmonds Everyone knows that college admissions decisions are determined by how much schools want certain candidates. Here's a lesser-known...
